		Arrival date at your Elmia stand?

Applicable from 2012-01-01. All prices given are per unit, refer to hiring and are valid for the entire exhibition period, unless otherwise stated. Elmia AB reserves the right to make price increases. Orders will be attended to in due order while stocks last. The price list is updated continuously and the latest price list always takes precedence. Orders based on older price lists will be automatically transferred to the latest price list by Elmia. However, prices for confirmed orders shall continue to apply without change. Order cancellations are accepted if received more than 2 weeks before moving in/setting up. For later cancellations Elmia reserves the right to charge 50% of the price. Products that have already been delivered will be charged at 100%. These conditions are in addition to Elmia's General Conditions as provided on booking a place at the event. **You can also place your order on [www.elmia.se](http://www.elmia.se)**

Orders must be placed by the deadline (see the Exhibitors' Guide). Orders received later than two weeks before the move-in date, or once moving in has begun or the fair has opened, will incur an additional charge of 50%. However, this does not apply for plants, Internet connection and purchases from the Exhibition Shop. The exhibitor is responsible for all equipment at the stand, whether their own or hired, during the entire fair period. Damage or loss of equipment hired from Elmia AB shall be charged to the exhibitor. Elmia AB therefore recommends that exhibitors take out the requisite insurance.

## Terms of payment: 20 days net. Currency: SEK.
