Price SEK 2,643
Art no. 12 816

TENT RAMP HEIGHT 30-58 CM. LENGTH 4,8 M
Price SEK 2,929
Art no. 12 817

TENT RAMP HEIGHT 59-87 CM. LENGTH 7,2 M
Price SEK 3,214
Art no. 12 818

Prices for steps for heights of 66 cm or more and ramps for heights of 88 cm or more are quoted individually.

Remember that the difference in level can be quite large due to the surface at your stand. So it may be necessary to add one or more steps.

Flooring and carpets.

FLOORING

The type of flooring you should use depends on what you will have in your tent. We usually recommend that you use wooden flooring that is raised, but if the floor needs to be completely level, modular flooring is the best option.

TENT FLOOR WOOD

TENT FLOOR MODULE WOOD
Price SEK 168/m²
 Art no. 10 235

TENT FLOOR MODULE PLASTIC
Price SEK 121/m²
 Art no. 12 799

CARPET

We also recommend ordering a carpet if the flooring surface is inconsistent in quality. Flooring and a carpet create a cosier feel.
